

RESTORATIVE EDUCATION 101 (PART 2): A FOCUS ON A COMPREHENSIVE APPROACH - WHEN HARM HAPPENS

FEBRUARY 5, 2025 3:45 - 5:15 PM

Even a decade after SB 100, the term “restorative justice” is often misunderstood. A whole school, comprehensive approach that prioritizes proactive practices leads to improved school climate and academic achievement and overall well being. In this Bite-Sized PD session, learn about the foundations of restorative justice, both proactive and responsive practices and, how it dovetails with social and emotional skills development, and short-term and longer-term strategies for putting it to use. Session 2 will focus on short and long term processes to address and repair harm.
